RONALD REAGAN WASHINGTON NATIONAL AIRPORT

Mr. SOLOMON. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 349 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 349

Resolved, That upon the adoption of this resolution it shall be in order to consider in the House the bill (S. 1575) to rename the Washington National Airport located in the District of Columbia and Virginia as the "Ronald Reagan Washington National Airport". The bill shall be considered as read for amendment. The previous question shall be considered as ordered on the bill to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chairman and ranking minority member of the Committee on Transportation and Infrastructure; and (2) one motion to recommit.

The SPEAKER pro tempore. The gentleman from New York (Mr. SOLOMON) is recognized for 1 hour.

Mr. SOLOMON. Mr. Speaker, for the purposes of debate only, I yield 30 minutes to the gentleman from Massachusetts (Mr. MOAKLEY), my very good

friend, pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for debate purposes only.

(Mr. SOLOMON asked and was given permission to revise and extend his remarks and include extraneous material.)

Mr. SOLOMON. Mr. Speaker, this resolution is a closed rule providing for consideration of S. 1575, which is a bill to rename the Washington National Airport as the, and listen carefully, as the Ronald Reagan Washington National Airport. That will be the name of the airport, if this bill passes.

The rule provides for 1 hour of debate equally divided and controlled by the chairman and ranking member of the Committee on Transportation. The rule also provides that the bill shall be considered as read. Finally, the bill provides 1 motion to recommit.

Mr. Speaker, the passage of this rule will bring us one step closer to finishing the task of renaming the National Airport after a truly great American and an outstanding President, Ronald Wilson Reagan.

At this time I include for the RECORD 2 articles, one which appeared back in 1993 by myself in the CONGRESSIONAL RECORD, and the other by Donald Devine, the former Director of the U.S. Office of Personnel Management that appeared in today's papers.

A TRIBUTE TO RONALD REAGAN (By Hon. Jerry Solomon)

The SPEAKER pro tempore. Under the Speaker's announced policy of January 4, 1995, the gentleman from New York, [Mr. SOLOMON] is recognized for 60 minutes as the designee of the majority leader.

Mr. SOLOMON. Mr. Speaker, I take this special order tonight to pay tribute to a great American, the greatest American that I have ever known, and that is President Ronald Reagan. As you know, I had intended to hold this event last night as a birthday present for the former President, but the House was occupied on an even better birthday present, passage of the line item veto. And what better birthday present could be offered to the President and to Mrs. Reagan than to complete the unfinished business of the Reagan revolution?

I know I speak for every Member of this House, Mr. Speaker, and virtually all Americans in offering President Reagan and his beloved First Lady, Nancy, our prayers and our very best wishes on this very wonderful occasion.

Mr. Speaker, what do you get for the man who has everything, so that saying goes? Well, Mr. Speaker, as we observe President Reagan's birthday, a better question is how do we appropriately honor a man who has done so much for us, for our country and for the cause of freedom around the world? Our tribute this evening should extend beyond the President's accomplishments in office, although they are numerous, too numerous to mention here tonight.

Let us examine Ronald Reagan's record with the benefit of historical reflections. The story has been told that during his darkest hours, President Nixon was reassured by those around him that history would treat him well. Ever sharp and skeptical, President Nixon shot back, "That depends on who is writing the history." In the case of Ronald
